HEARING ON PROPOSED INTERIM
RATE STIPULATION**

Hearing: April 8, 2025
10:00 a.m.
1901 Harrison St., 3rd Fl.
Oakland, CA 94612

The following charts reflect the parties' exhibit lists and denote where the parties have stipulated to admit a particular exhibit into the record for the hearing on the proposed interim rate stipulation. By stipulating to admit an exhibit, the parties do not waive their rights to object to the improper use of a particular exhibit, nor do they waive any objections regarding whether an exhibit constitutes or contains hearsay, which shall not be sufficient in itself to support a finding, nor do they waive any arguments regarding an exhibit's relevance or weight that it may be afforded in determining whether to approve the proposed interim rate stipulation.

In addition to the exhibits listed below, the parties stipulate that all filings in the three rate applications (CDI File Nos. 23-1271/SERFF # 134139896, No. 24-1273/SERFF # 134139931, and No. 24-1330/SERFF # 134139850) as posted in the Systems for Electronic Rates and Forms Filings (SERFF) as of April 8, 2025 are admitted into the record for the hearing on the proposed interim rate stipulation.
